

## VOLLEYBALL TEAM FROM STAVANGER, NORWAY

The members of the volleyball team, in alphabetical order, are:

Claudia Bisceglia  
Malene Brommeland  
Malene Myrestrand  
Katrine Ims

Malin Ims  
Bente Lode  
Ema Nuhic  
Cecilie Svendsen

The volleyball players are selected from 3 different teams in the largest volleyball club in Stavanger. In Norway, almost all volleyball activity is organized by clubs on a voluntary basis. The girls practice from 2 to 5 times per week. The most experienced players have played volleyball more than 5 years, whereas some have only played for one year. As a team, we have practiced and had some friendly games prior to travelling to Houston. We are looking forward to coming to Houston and seeing the skills of the volleyball players here, whether they play on school teams or on club teams. We really hope to establish good relations with the Houston and Galveston players for many years to come.
